The Honorable Stansfield Turner
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Turner:

The International Advisory Council on Economics and Foreign Policy will have an open press forum in the ballroom of the National Press Club on the first of April, at 10:00 A.M. Our purpose is to have the most distinguished speakers available discuss issues of vital national and world importance. Statesmen, economists, journalists, government officials and others of intelligence and integrity will be invited to participate.

Our organization is newly formed by individuals concerned with the future of our country and the security of the world.

We ask you to participate in this conference. You must know that there is no time to be lost. We are calling for inspired leadership in America, and that appeal must be answered now.

The crises now confronting our nation and the world demand immediate solution. It is the duty of all capable and responsible people to assist in averting the disaster now before us. Should you have any questions please feel free to contact our office.

Sincerely,
INTERNATIONAL ADVISORY COUNCIL ON ECONOMICS AND FOREIGN POLICY

Athena Adams
